'BUILDING'

Our Home strives to provide a safe, loving, and nurturing environment for the children where they experience the transformative power of our Lord's love. The name 'First Light' signifies a new 'Dawn' of Hope and Blessings in the lives of the girls.

Some of our girls study at FBC Covenant Christian Center (CCC), others at national schools. The eldest has just finished her Form 5 SPM exams and currently helps out as an intern at Church.

Some attend the Tamil Service and some with Kairos. In addition, some attend Sunday School, or Youth or the Boys' Brigade.

The home is run by Ms Esther, the Home Mother, and assisted by Ms Marry, the cook.

Our girls enjoy the occasional outings, swimming, ice skating, movies, etc. A few Life Groups have visited and brought cheers to them with interesting events like soap making, etc.

We currently have a pool of amazing volunteer tuition teachers. As the Girls' ages and levels of education vary, they have personalized and individualized tuition, on a one-to-one basis, in their various subjects. They also have arts and crafts classes, etc. Special thanks to all our teachers.

Nevertheless, we are looking for more volunteer teachers and also teachers to teach computer skills and living skills like cooking, baking, sewing, etc. Please do join us in His Ministry and give our precious and priceless time. In anticipation of your generosity, we would say a big Thank You.

As Our Home expands in numbers, the need will also grow. We would appreciate donations in cash and kind, such as groceries, furniture, computers, bedding, etc. If you can assist in any areas, please contact us to discuss the same.

We seek your Prayers for the children and staff for

"where two or three are gathered in my name, there am I among them." Mathew 18:20

Compiled by Oh Saw Yean

Saw Yean helps out at First Light Girls Home. She is also with the FBC Church Choir, attends Seed Life Group, and serves in the Karis Ministry.

The Gospel of Jesus is not just about salvation, but also a story of transformation. In this story of First Light Girls Home, we witness the transformative power of God's Love and Grace, changing those associated with the Home into little lights for Christ. Not just in the lives of the girls under our care, but also in the staff, the committee, and the volunteers involved in the Ministry. It is a story of growing and maturing in faith, and we invite you to join us to witness and experience change.

Lee Yee Dian
Elder of First Baptist Church

My Prayers for First Light is one of continued growth, both individually and collectively. We must cultivate an environment where every girl feels valued, heard, and empowered to pursue their dreams. Through education, skill building, and Faith in Jesus Christ. They will emerge as beacons of hope in their communities, breaking the vicious cycle of poverty and inspiring others.

Pastor Raymond
Pastor to FBC and First Light Girls Home

It is delightful to see the girls grow and progress to become confident young ladies. I am very glad that the Home is able to provide a sense of belonging and community for the girls through creating a loving family environment. My vision for the home is that it will expand and be able to accommodate more girls in the future and equip them with life skills development to transition them into adulthood and be valuable members of their communities.

Thoo Lee Chan
Treasurer

It has been over a year since FLGH's Home Dedication. When we look at the girls today, we humbly testify to God's Love and Mercy, how they have matured and grown into their potential, knowing they are loved. Our vision is to provide a sanctuary and opportunities for them to live a life of self-respect, and to be responsible and productive in their lives. May God continually Bless them with His transformative and enduring love.

Linda Law
Secretary

Children are the future of parents, community, and a nation, and need the physical, physiological, emotional, and spiritual balance to stand firm in this world. FBC strives to be "a father to the fatherless", a "home to the homeless" and "a hope to the hopeless".

"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me." Matthew 25:40.

"Whoever is generous to the poor lends to the Lord, and He will repay him for his deed." Proverbs 19:17.

In the Bible, God is always calling His people to remember the sojourner, orphans, widows and the poor, and so, let us honor God by remembering them not just in thoughts or words, but also in deeds.

Kurian Zachary
Committee Member

Being assigned to oversee the facility and maintenance of the Home, it will be an exciting challenge to see to the need for expanding spaces as the number of residents increases in the near future. I look forward to creating a safe, and yet lively and happy environment for the girls and working as a team with all committee members.

Kiang Teck Hoe
Committee Member

It has been an interesting year as I get to know the girls personally and see them grow and blossom into self-confident young ladies as they learn about our Loving God. Prayerfully, they will walk closer to Jesus Christ and accept Him as their Saviour.

"For I know the plans I have for you," declares The Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11.

Corinne Chia
Committee Member

The past year has seen a lot of generosity and love from Church members towards the girls. Many have come forward with monetary contributions, essential items and even providing furniture required by the Home. Many have shown love and care by sacrificing their time and talent to guide them by giving tuition and recreational activities, all of which are highly appreciated by the girls and the Home committee.

Anthea Kho
Sponsorship Coordinator

In mid-December, the REST LIFE GROUP of FBC led by Dr Khoo, visited the First Light Girls Home to share the love of Christmas Blessings. The girls learned to make soap as Christmas gifts and painted Christmas greeting cards to complement the soap gifting. They enjoyed the magic show by Brother Rumi Yo who encouraged them to reflect on the positive attitudes of life. As an outward evangelism, we had a couple as our guests. The Rest LG entourage had a great time bonding over an afternoon tea with the girls, the guests, and with each other too. We hope to visit again.
