Logos Library Update

The Logos Library is set up to be an effective vehicle to fuel the passion of those who loved Jesus Christ in proclaiming Him and touch lives through the Word of God with the use of Christian literature and audio-visual materials. The library ministry is often considered the hidden ministry of the church.

Nevertheless, we know that God uses books and documented materials to lift the hearts of believers for His glory and that there is a great need to bring God's written words to members of the church.

Over the years, the Logos Library has been blessed with a conducive reading environment with good selections of doctrinally sound books and materials for people of all ages

Recently, Logos Library has implemented the KOHA library management system. It has improved the efficiency of the library operation in terms of recording, cataloging, reporting, and other library-related functions. The system also caters to future expansion such as member online access, book holdings, e-library, etc.

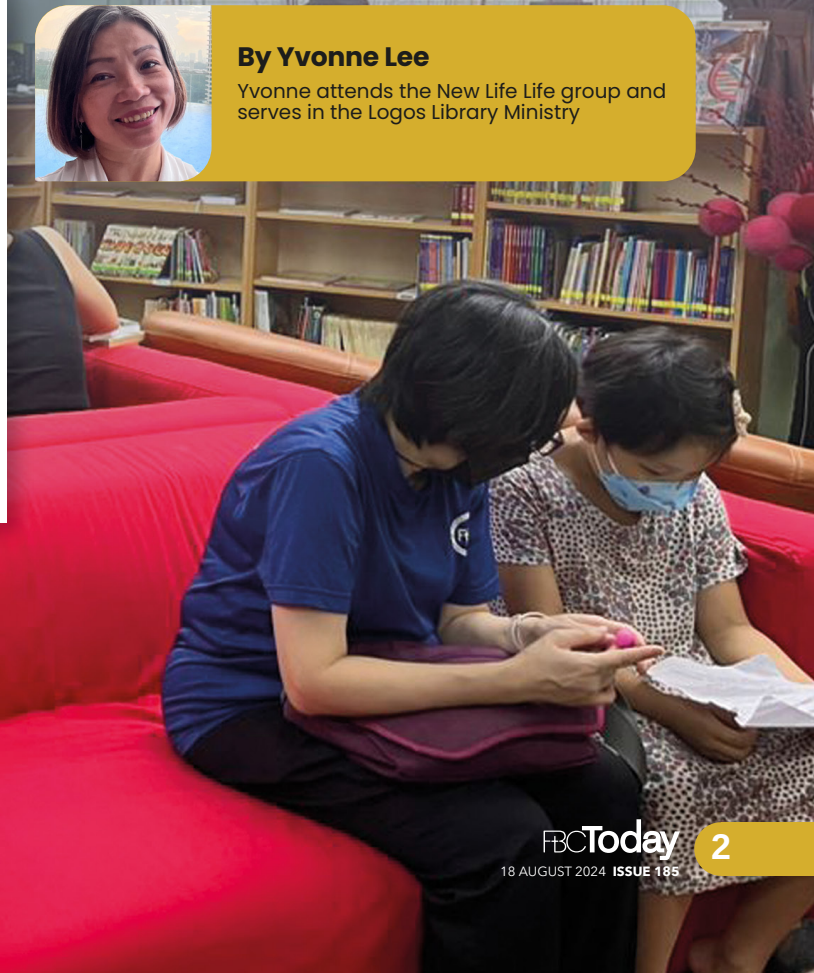

In our efforts to encourage church members to utilize the library facilities, we are moving towards some kind of "Mobile Library" initiative whereby selected books from the library are brought down to be displayed in front of the main auditorium after the first service. In addition, Logos Library will be acquiring the latest books including new children's books to make available for library members. Donations of relevant books are also encouraged.

It is encouraging to note that the number of patrons and new members has increased after the COVID-19 pandemic. With God's blessing, the Logos Ministry will continue to serve in our best capacity to make available materials and books based on God's Word and to encourage believers to use these facilities towards spiritual growth and empowering a gospel center life.

Today's Prayers

Lord Jesus, it is wonderful to know that we are considered Your brothers and sisters before the throne of God, the Father. Thank you that, through Your broken body, we can access God not only without shame and guilt but also with joy and peace. May this grace be extended to all my loved ones. Amen.

Pray for the public, private, international, and home schools that offer different curriculums for our children. Pray that our children would be nurtured and groomed in an environment that builds strong character, good virtue, and sound intellect.

Pray that education centres run by churches would have a sufficient number of committed and biblical faculties and teachers to respond to the call of disciple making. Pray that their impact would go beyond classrooms and infuse all aspects of their students' lives.
