JOIN ZOOM MEETING FROM AN **ANDROID**

The slides hereinafter provide illustrations on how to join a Zoom meeting from an Android handphone, divided into the following parts:

Part (1) Install Zoom App (Slide #2-5)
First you need to install Zoom apps in your Handphone. Thereafter you can join a Zoom meeting using one of the methods described below.

Part (2.1) Join Meeting by Invite Link (Slide #6-9)

If you receive a join link for your meeting, follow the steps described on the slides

Part (2.2) Join Meeting from Zoom App (Slide #10-13)

If you do not receive the link but only the meeting ID and passcode, you can join a Zoom meeting directly from the Zoom app.
