Dear readers,
Happy Labor Day!

The newsletter team decided to rest, and let our reader's eyes have some rest.

We decided to indulge ourselves by introducing the humble (and not-so-humble) team behind the scenes that works consistently and persistently week after week.

Team name: **FBC Today a.k.a. the Newsletter Team of FBC.**
Role: We consist of a team including Millennials, Gen X and Boomers, all a part of Christ's body.

Yan

Graphic Design Apprentice (Level: 70)

Super gentle and dedicated in designing FBC Today when given the task. She too, like Sam, rummages all of the internet for the perfect picture.

Sam

Graphic Design Sensei (Level: 1000)

Made the template for Newsletter. Designed the interior and exterior of FBC today. Brainstorms for background pictures week after week.

Kai Xian

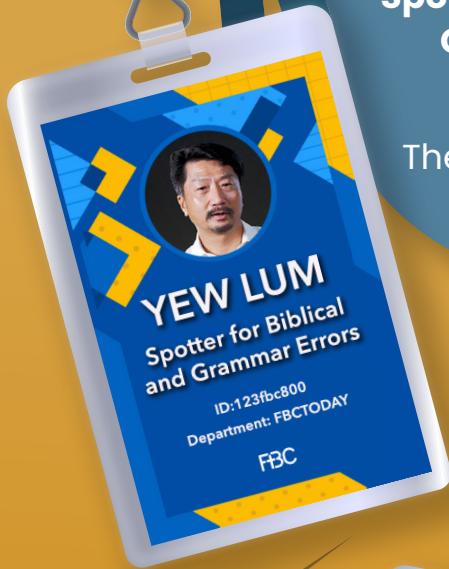

Doctrine Scanner (Level 1) and a Wannabe-Article Shark (Level 2)

She starts the thread to all contributors and scan for any red flags in biblical doctrine in the articles submitted.

Yew Lum

Spotter for Biblical and Grammar Errors (Level: 3000+)

The title says it all

John

Fairy Godmother (Level 9999) & Godfather (Level ??? - UNKNOWN)

Our Fairy Godmother who protects (and stalks) us silently and appears occasionally to provide us with an article- Mess with the team and he'll turn into the Godfather and hunt you down.

Together we work as a body of Christ to compile, cooperate and composed to deliver you the latest, current and update news of what FBC is all about.
