Greetings in the wonderful name of our Lord! I am Cindy, and a member of Sunday Life Group headed by Elder Yee Dian. I would like to encourage you by sharing with you the joy of being part of a Life Group!

We humans are social creatures; we need to interact and communicate with each other in order to function holistically. Joining a Life Group is the perfect platform to meet new friends, share experiences, discover

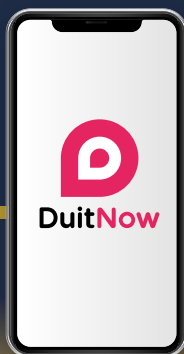

new interests or hobbies, engage in outdoor activities, and, most of all, to learn God's word. To top it all, a Life Group, through its activities, binds its members together, giving the group a sense of community and identity.

As for myself, I was very new to FBC and I so desired to acquire all of the above. Therefore the sensible thing for me to do was to join a Life Group, which I did in due course.

But God was good, and through modern technology and via a Zoom platform, we have been able to continue our meetings virtually, to engage and to learn.

Our twice monthly physical meeting after the first Sunday Service was a well-looked-forward-to session, until the Covid-19 pandemic hit the whole world and we were soon in lockdown. But God was good, and through modern technology and via a Zoom platform, we have been able to continue our meetings virtually, to engage and to learn.

When we did finally meet up physically on 1st January 2022 to celebrate this New Year after almost two years of lockdown, the joy of seeing and touching each other physically was indescribable! We had a blast of a time, and it was a real celebration! Truly I tell you, the joy of being part of a Life Group is such a blessing!

I can confidently attest that my spiritual growth has soared exponentially, though I am still a work-in-progress (WIP). The joy of being seen, recognized and accepted is so humbling, and I will strive to do my part to give back what I have been blessed with!

I am also happy to mention my participation in other groups. I have joined Women of God to further my spiritual growth, and also the Karis Group, which I proudly call the 'Happy Seniors Club'! As the saying goes... the more the merrier!

In conclusion, I highly encourage and urge those who have yet to join a Life Group, not to hesitate nor procrastinate. Just join one without further delay, and the rest will be history for you to treasure.

May God bless you in your walk with Him!

**Note: The Sunday Life Group meets via Zoom every 2nd and 4th Sunday, 2-4pm.**

## Prayer Spotlight

### Alpha

1. God to encourage more people to sign up for Alpha22 especially the seekers and the younger people.
2. The Holy Spirit to give wisdom to Alpha team and guide us how best to plan/organise the next Alpha which is planned to be a hybrid program, so that participants will not be distracted by the program arrangement but will focus on learning about Christianity and establishing a relationship with God.
3. God to encourage the respective helpers to continue serving in the next Alpha in the respective role of their talent. Also to help us identify new helpers especially the younger people and people who are gifted in facilitating discussions.
4. Holy Spirit to open the hearts and minds of the seekers, address any doubts that they may have, so that they will accept Jesus as their Saviour.
