Crisis Home, established in 2003, is a non-profit Christian ministry caring for People Living with HIV (PLHIV). Our mission statement is to provide physical care and emotional support for PLHIV and to reduce and minimize the stigma and discrimination surrounding those with HIV/AIDS. We provide care irrespective of religion and social class.

Crisis Home operates residential rehabilitation homes that are independent of government funding. Crisis Home works in partnership with individuals as well as churches such as FBC, which has been providing financial support including contributions to programs supporting education needs for the children of PLHIV.

**Besides providing residential care for PLHIV, Crisis Home also provides public health and education strategies aimed at reducing the transmission of HIV-associated stigma.**

Besides providing residential care for PLHIV, Crisis Home also provides public health and education strategies aimed at reducing the transmission of HIV-associated stigma. We believe that prevention is better than cure – as there is no cure for HIV yet, we recognize and advocate that preventing the virus from spreading is the most durable, long-term solution. It is through these outreaches that Crisis Home was set up. Many PLHIV came and learned about how HIV/AIDS is transmitted. They realized that they themselves were transmitting the virus, and saw the need to change their lifestyle and help to prevent the virus from spreading. After staying in Crisis Home for a time, some of them have now gone back to the street where they were from before, sharing with others on how to prevent the virus from spreading.

**Our objectives are:**

- To provide care, love, and support for PLHIV in a Christian environment.
- To extend the saving grace of God into their lives.
- To build faith and hope in our Living and personal God.
- To protect the integrity of PLHIV by showing mercy and encouraging faith, hope, love, forgiveness, and grace.
- To train those who are in the recovery process to be involved in social work and help others who are living with HIV/AIDS and their affected families.
- To provide awareness and prevention programs in schools, colleges, and places of worship.
- To participate in HIV/AIDS community awareness efforts to challenge the stigma and prejudice surrounding HIV/AIDS.

## **Hepatitis C in Malaysia From Crisis To Hope:**

### **Mr. Yen at Crisis Home in Kuala Lumpur, Malaysia**

28 July 2020 | Feature Story | Kuala Lumpur

## **Crisis Home's program structure includes:**

### **Shelter Home Program**

Crisis Home provides a safe and non-violent environment for PLHIV. Crisis Homes provides PLHIV food, medical care, rehabilitation, and where needed, a decent funeral arrangement. Crisis Homes have a capacity to serve 36 clients at any one time.

As part of our care, we provide referrals for clinics and medical facilities facility, harm reduction programs, as well as support for other matters pertaining to legal, social, employment, and etc. We facilitate hospital appointments, health, and HIV monitoring, antiretroviral therapy, and basic physiotherapy, as well as attend to personal needs of PLHIV, which may include daily dressing, bathing, and feeding. PLHIVs are also supported with in-house counseling, work therapy, and reconciliation/reunification with their families.

**Crisis Home organizes street outreach, hospital visits, group outreach, outreach in rehabilitation homes, prison outreach, and support and sharing sessions.**

**Outreach Program**

Crisis Home organizes street outreach, hospital visits, group outreach, outreach in rehabilitation homes, prison outreach, and support and sharing sessions.

**Community Event**

Crisis Home participates in two annual events, namely the International AIDs Memorial Day and World AIDs Day to bring awareness and remove fear, prejudice, and stigma. Crisis home also organizes camps/retreats for PLHIV.

**Cottage Industries**

Crisis Home actively promotes employment opportunities to improve quality of life and to assist and educate PLHIV on the importance of living independently so as not to be a burden to their family and loved ones.

**How can I be involved?**

Crisis Home requires ongoing support in prayers and in our everyday needs. We aim to work in partnership with individuals and churches to bring hope, care, and support to PLHIV who are suffering. Kindly contact **Ps. Isaac Tan (016 2727 072)** for any inquiry.

Your prayers and support make a difference, one life at a time.

**Help The Crisis Home Community Survive Covid - 19**

**By Pastor Isaac**  
Isaac is the coordinator for Crisis Home since the beginning of 2003. He is a caregiver for 33 resident patients in 5 homes located in KL, Rawang, Jeram, Gopeng, and Kalimantan Indonesia.

## Prayer Spotlight

### Prayer for Crisis Home

1. Give thanks for God's provision of leaders and helpers to Crisis Home to minister care, love and support to people living with HIV (PLHIV). Pray for God to anoint the volunteers and workers with his wisdom, compassion and strength to serve faithfully in Crisis Home.
2. Pray that the PLHIV will experience the saving grace of God in their lives. Pray that they will build faith and hope in our Living God.
3. Pray that the PLHIV will be given opportunities to gainful employment in cottage industries so that they can live independently with dignity and integrity
4. Pray for the provision of support to PLHIV in the Shelter Home Programme for medical, social, legal and employment matters. Pray that there will be reconciliation and reunification with the families of PLHIV.
