## Covenant Christian Center: Empowering Global Discipleship

It is with great joy and gratitude that we unveil Covenant Christian Center (CCC), the vibrant heartbeat of FBC's educational ministry, resonating with the divine mandate to disciple all nations (Matthew 28:19-20). Within our midst, a beautiful tapestry of cultures intertwines, as participants from

Korea, Yemen, Nigeria, Myanmar, and Central Africa converge, united in their pursuit of knowledge and spiritual growth.

At CCC, our mission extends far beyond conventional education. Through a partnership with Lighthouse Christian

Academy, we offer a transformative curriculum rooted in the principles of faith, excellence, and character building. As a result, our students, having completed the program and receiving their American High School Diplomas have continued to embark on diverse career paths, ranging from law and physiotherapy to music and computer science.

Yet, what truly sets CCC apart is our exceptional team of dedicated staff members. Hailing from a myriad of professional backgrounds – including homeschool moms, church musicians, engineers, accountants, and secondary school teachers – each individual has been uniquely called to serve in this challenging yet profoundly fulfilling ministry. It is through their collective wisdom and unwavering commitment to God that CCC thrives as a nurturing environment for holistic growth.

**“Having then gifts differing according to the grace that is given to us” (Romans 12:6)**

At the heart of our community, we live out the spirit of Romans 12:6. Not only do we appreciate the different talents, we also celebrate these abilities given to us by a loving God. Together, we work as a team, respecting each other’s differences and finding strength in our unity.

Our staff members show us what it means to put faith into action. They work hard and care for everyone, making a real difference in our students' lives, bringing hope and light to those who need it, and guiding them on a path of understanding and peace.

Furthermore, our annual Regional Students' Convention stands as a testament to the boundless potential inherent within each individual. With over 144 events to choose from – encompassing everything from platform events to musical events to athletics and website design – participants are given a platform to discover and nurture their unique talents. It is through these formative experiences that they emerge as confident, empowered leaders, poised to make a meaningful impact on the world around them.

Additionally, our Institute for Cultural Communicators' program (ICC) serves as a catalyst for personal growth and transformation. By empowering our shy and more reserved students to find their voice and embrace their creativity, we are equipping the next generation to become confident communicators for Christ in today's ever-evolving cultural landscape.

In closing, we are deeply grateful to each member of both the CCC and FBC families for your unwavering dedication and steadfast commitment to our shared mission. It is our prayer that we will continue to shine as beacons of light, illuminating the path to a brighter, more inclusive future for all.

# Pray for Covenant Christian

Pray that God's Word would permeate every thought, conversation and action in CCC relationships - trust-filled, supportive and authentic relationships between leadership, educators, students and parents.

Pray that CCC will create a learning environment that develops their students spiritually, intellectually, physically, emotionally and socially.

Pray that students will be eager to learn, attentive to responsibility, and determined to fulfill God's call on their lives.

Pray for teachers to foster healthy habits and environments that reduce stress and promotes biblical health and wellness.
