Special Teens Ministry Update 2024

By the grace of God, the Buddies Chat Line has become a routine and virtual gathering for our teenagers with special learning abilities since COVID-19. 'Buddies' was coined as a callout to them to make friends with each other, and also with us. These sessions are designed to help our buddies express themselves creatively. This will be a safe space to share experiences, challenges, and victories, and to learn from each other.

Since then, a special bond has been created among the buddies. Even more, we felt the need to give a personal touch to all the buddies, especially since the current condition is more allowed to do so. Physical meeting was then restored to enhance the ability of our buddies to social interaction.

1st Physical Meeting

Thanks to the support of the church, we had our first 2024 Buddies Physical Meeting on 16th Mar in FBC Transit Lounge. Buddies were invited to express their interest in the object which was special to them, as a way to communicate with each other. The intention was to create an understanding and supportive environment where the buddies could learn to express themselves to someone outside the family members and feel valued. The meeting bore fruit to the inspiration of encouraging our buddies to associate themselves with the public and this was planned in our next physical meeting.

Buddies' Day Out

An outdoor trip that covered the experience of traveling in the subway and interacting with the public was organized on 28th April. We were encouraged by the participation of volunteers who were willing to spend time with our buddies. The volunteers accompanied the family and assisted the buddies in experiencing the process of taking the subway and interacting with the public. Parents appreciated the opportunity to integrate the outing experience with learning opportunities.

Volunteer Opportunities

We are always looking for volunteers to help with our new initiatives. Whether you're interested in assisting with Buddies Chat Line or facilitating our events, we would love to have you on board. Volunteering is a wonderful way to give back to the community and make a difference in the lives of our buddies!

As we embark on this new journey, let's remember this powerful verse from the Bible: John 13:34-35:

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples if you love one another."

We believe that these activities will not only provide our buddies with a sense of belonging but also help them to develop new skills and friendships. We look forward to seeing you there!

For more information or to register for any of these activities, please contact us via WhatsApp:

Special Teens Ministry

Lord, we humbly come before You, to commit the Teens and Youth with Special Needs in our church community and beyond.

May they be able to know that they are loved and matter to You and the world, through opening doors to basic services, healthcare, and education and vocational training.

Lord, our hearts ache for those who are facing many challenges and struggling to get access to care, therapy or treatment. Spur national officials and healthcare professionals to create policies and develop systems that provide quality, affordable, accessible care and learning opportunities.

Dear Lord, most of all, we lift up their parents and caregivers unto Your loving hand, refresh them and give them strength to press on each day. For families living in need, lead them to economic opportunities to provide each member with the resources to survive and thrive.

Lord, the Special Teens Ministry needs more volunteers and support from FBC church members and community, we pray for Your hands to stir and move hearts so that more people will be willing to join this ministry in their vision and mission to minister and share the gospel among the families with special needs teens and youth.

We pray and commit all in the precious name of Jesus,
Amen!
