Study 4

Deborah: The woman leader

Judges 4:1 - 5:31

Case Study 1

Onn Li Men attends Fourth Baptist Church, one day the Sunday Service had a female worship leader, a female scripture reader, and a female preacher on stage. At the end of the service, he went to look for an elder and say that women should never be leaders according to the bible.

1. Discussion question. If you are the elder, what would you say to Li Men?

Case Study 1.1

When the elder mention Deborah as an example of a leader in the bible. Li Men quickly justified that: "it was an exception because the men then were too timid and that's why they were wrong for not stepping up." He also mentioned that all the 12 apostles were men.

2. Discussion question. How would you answer Li Men?

Case Study 2

Lee Ber Tee believes that all men and women are equal, they can do the same things and there are no differences between the two. Therefore, whether in the corporate world or the church, women can be leaders.

2. Discussion question. As Ber Tee's fellow Christian brother and sister, what would you say to her?
