CHAT AND SNACK MINISTRY

Chat and Snack Ministry started two years ago. On the first day, we celebrated with three guys, two of whom still come in regularly.

There's no agenda for this ministry but to provide a place where all those who seek other's company, meet almost every week.

Each has their own agenda: make new friends, have a good laugh or activate their aging minds, learn new board games... especially the good food. We have our own in-house chef, who dishes out scrumptious simple food, and a small army of helpers or connectors as we are known, who see to the overall needs of the ministry.

Whatever it is, it is back to the original purpose of a place to connect.

Currently, we have an average of about 40+ people in attendance, and on a good day even 60+.

The encouraging part is we have a handful who have come to know the Lord and have started their walk with Him... slowly but surely.

He has called and they have responded and we as His workers will journey with them as He leads.

Our new direction, after these 2 years, is to have other ministries partnering with us, to bring it to a new level honoring God as His body in the church.

We cannot comprehend how He is leading this ministry and we cannot see the end of the tunnel' but we know that He who is faithful will accomplish what He has purposed to do.

This is His ministry, not ours. And we pray that we be patient, humble, and obedient to His calling and direction.

PSALM 32:8 THE LORD SAYS "I WILL GUIDE YOU ALONG THE BEST PATHWAYS OF YOUR LIFE. I WILL ADVISE YOU AND WATCH OVER YOU."

PRAYERSPOTLIGHT

CHAT AND SNACK MINISTRY

Dear Lord, thank You for the gift of community and how You bring people together in Chat and Snack. We pray that You would continue to use us to bless the lonely people in our midst and show them your love and compassion.

We lift the lonely people in our community to You today. We pray that You will bring them comfort, companionship, and hope. Please surround them with Your love and care, and let them feel Your presence in their lives.

We pray that those who don't know Jesus come to know Him and experience the love and salvation that comes through Him. Please open their hearts and minds to the truth of Your Word and the gospel's message.

We ask for your constant wisdom, guidance and strength for the Chat and Snack team as they step forward in faith each week in response to your calling. We pray for more partnerships in FBC to walk with Chat and Snack in serving the community.

We ask all of this in Your holy name. Amen.
