One moment you're in high school - your classes are mapped out, your schedule is fixed, and your circle of friends is familiar,

our goal set - just get to SPM/IGCSE. Then suddenly, you're thrust into a new season where the questions are bigger and the answers less clear. What do I want to do with my life? Can I afford it? Who do I really want

to be? Being at the cusp of adulthood, every choice seems to carry weight - from friendships to finances, from values to beliefs.

Sound familiar? This is the standard campus-aged person's experience - standing at the crossroads of new responsibilities, hopes, and uncertainties. In all honesty, my words cannot fully express or represent each of their detailed hopes and dreams, pressures, and anxieties about the future. But here's what we believe: in the midst of all these questions, what students need most is not just more advice or strategies on how to navigate life - it's Jesus. That's why the vision of the FBC Campus Ministry is simple: to raise up fully devoted followers of Christ. When Jesus is at the center, He doesn't just guide the journey - He defines it, giving clarity, purpose, and hope where there once was confusion and anxiety.

The hope of the FBC Campus Ministry is to make space for a Christ-centered community that will become like a sturdy vessel in uncharted waters. In this new chapter of life, the church longs to embark on this journey with campus-aged young people - with older mentors that act as navigators - listening, encouraging, and guiding. Peers are fellow crewmates - sharing in both joy

and hardship, offering strength and encouragement when the waves grow strong. All together, we set our eyes on Christ, the true Captain heading the ship. With Him steering, we can face the perils of the world - the storms of doubt and waves of pressure, and uncharted waters with confidence and peace.

Over the past year, we've already begun to see this vision take shape. The vessel is being built, and life on board is vibrant! Once a month, campus-aged people gather for fellowship - whether through Bible studies, sports, makan sessions, or even game nights - moments where laughter, learning, and deep friendships come together. Beyond these gatherings, some LGs like PP (Prayerful People) and H2O have opened their doors to campus-aged people, where they can grow in faith alongside the wider church family. Through one-to-one discipleship, young people are being personally encouraged, listened to, and pointed back to Christ in their daily walk. As you look at the pictures from our campus ministry, you'll catch glimpses of these moments - the joy, the friendships, the honest conversations, and the seeds of faith being planted and nurtured. Yet the journey is far from over, and the seas ahead are wide.

## **That's why we ask for your prayers.**

### **Pray for these young people:**

- ◆ **That they will come to know and rely on Jesus as the true Captain of their lives**
- ◆ **That they will find belonging in this community, that honest conversations about joys and struggles can happen**

### **Pray for the ministry:**

- ◆ **For the existing leaders and mentors, that they will be led by the Holy Spirit as they pour into the young people's lives**
- ◆ **That more people will join the campus ministry to serve faithfully and lovingly as mentors and leaders**

And if God stirs your heart, consider joining us in this ministry – whether by mentoring, supporting events, or simply sharing life with the young people who are eager for guidance, support, and love.

Overall, we commit this ministry to God and trust that he will steer this vessel towards hope, truth and life.

# PRAYER FOR CAMPUS MINISTRY

Heavenly Father,

We thank You for being the steady Captain who leads us through every season of life. You see each young heart standing at the edge of adulthood with hearts and mind full of dreams, questions, and the search for purpose. You know their paths even before they take their first step.

Lord, we lift up every young people to You. In moments of uncertainty, be their compass. In moments of anxiety, be their peace. When they are weary, be their strength. Teach them to place You at the center of their journey, so that every decision, every challenge, and every victory is shaped by Your truth and love.

We thank You for the gift of this campus ministry. May it continue to be a place of belonging, where friendships are formed, faith is deepened, and hearts are anchored in Christ. Let every gathering whether in study, prayer, or fellowship to reflect Your joy and grace.

We pray for the mentors and leaders who serve so faithfully. Fill them with wisdom, patience, and compassion. Strengthen them to guide with humility and love, always pointing others back to You. And Lord, we ask that You raise more leaders for this ministry, those who will listen, encourage, and journey alongside our young people.

As we look ahead, we entrust this ministry to Your care. May Your Spirit continue to move among us, stirring hearts to know You more deeply. Through calm waters and through storms, may we keep our eyes fixed on Christ, our true Captain and unfailing hope.

We commit all things to You believing that where You lead, there is life, there is truth, and there is hope.

In Jesus' name we pray,

Amen.
